

**REPORT OF FIELD STUDY
DEPARTMENT OF ASSAMESES
NOWBOICHA COLLEGE**

With due permission from the respected Principal sir of Nowboicha College, the Department of Assamese decided to organize an Educational tour on 13-02-2021 to a Naturally abundant place Name “Dirgha” that is located in the District of Lakhimpur. We decided to start the trip with 40 people in the morning around 7.30 A.M.

Dirgha is situated about 25 K.M. distance from the main center of Lakhimpur Town area, and is 34 K.M. distance from our college.

Dirgha is a very naturally rich place having beautiful mountains, river and greenery is a home to many species of Bards with musical harmony of their chirpings. The place has much potential to be established as a Tourist place for the visitors in the upcoming days. With the help of Assam Government and effort the place can be developed for a potential Tourist place with efficient transportation management and other essential facilities for a Tourist spot.

Our goal was to create a sense at Natural awakening among the students and to introduce them to various Natural resources and divinity of Nature’s scenic beauty so that we can mold them to proper human resource ready for the world ahead.

This trip to Dirgha can be definitely declared as a successful trip regarding fulfilling our goals and destined agendas.

At the end of our field trip we cleaned the place with the help of our dear students and left the place around 3.00 P.M. nourished with many knowledge and lesson regarding our environment and our duties for natural resources and mankind.
